THAN BEST**

## The PiXL Mathematics App (PMA)

The PMA is an online assessment system that identifies your strengths and areas to develop in Mathematics.

The app provides therapy videos to deal with any issues and the means for you to reassess yourself to show that you are making progress and continually moving forward.

The app can create lots of questions around the same topic area that has been identified as an area to develop. This enables users to re-test a particular topic many times to ensure they understand

### Prisms

Question 1 of 1

Calculate the volume and surface area of the following 3D shapes to 2 decimal places:  
Not drawn to scale. Please use the  $\times$  button on your calculator.

V =  cm<sup>3</sup> ✓  
SA =  cm<sup>2</sup> ✓

V =  cm<sup>3</sup> ✓  
SA =  cm<sup>2</sup> ✓

V =  cm<sup>3</sup> ✓  
SA =  cm<sup>2</sup> ✓

Here is a useful formulae:  
Volume of a prism = cross-sectional area x length

### Play Your Quotes Right

Score: 1

Take a look at the quotation behind each of the two cards below:

Be bloody, bold, and resolute;  
laugh to scorn/The power of  
man, for none of woman  
born/Shall harm Macbeth.

Quotation 1

look like the innocent flower,  
But be the serpent under't.

Quotation 2

Does quotation 2 come before or after quotation 1?

Before After

Who said quotation 1?

Who said quotation 2?
