

21<sup>st</sup> November 2018

Dear Parent/Guardian,

**RE: Musical artist Ayo Beatz to visit all Year 7 and 8 students, along with GCSE Music Students.**

I have the pleasure of offering a wonderful opportunity for your child to watch a performance and engage in a question and answer session with Ayo Beatz on 29<sup>th</sup> November.

Ayo Beatz will be in school for a short time to perform to and meet our students. Following the performance, he will give a short talk and allow students to ask any questions about the music he not only performs but also produces.

During his talk, Ayo will cover topics including; careers and the media; how to get started; top tips and what it is like to be a Musical Artist.

We have looked into the content of the material shared by Ayo on YouTube and found nothing of any concern. However, if you would prefer your child not to be involved, please let us know by either calling reception or emailing us at [info@tqea.org.uk](mailto:info@tqea.org.uk).

Yours sincerely

Dan Watts  
Principal
