

**Parents of Y11 History Students
TQEA**

Dear Parents and Carers,

Year 11 History Revision Day, Tuesday 28th May 9am – 12pm

The History Department is running an exam busting workshop for Year 11 students on Tuesday 28th May 9am to 12pm. This is an invaluable opportunity for students to undertake some intensive revision in the run up to their GCSE examination (six days later!).

I have put together an interesting and highly useful programme that is tailored to the current needs of our students. The focus of the day is on subject specific skills and examination technique. It is very important that Year 11 students are now fully aware of the demands of their GCSE courses and this day will enable them to explore the exam specifications, and show them how to improve their performance in their final examination.

I would strongly advise that they make the most of this opportunity and attend the Revision Day. I look forward to seeing your child this Tuesday 28th May.

Kind regards,

Nicola Watts
Head of Humanities
