**Parents and Carers  
TQEA Boys**

Dear Parents and Carers of Boys

**Raising Boys' Achievement – Information Evening**

We are excited to be able to invite you to a parent event aimed at Raising Boys' Achievement on Monday 25<sup>th</sup> November at 6pm – 7.15pm. It is a great opportunity to work together with us to ensure that your child succeeds during his time at TQEA.

The evening will be hosted by Gary Wilson, one of the country's leading authorities on raising boys' achievement. He is a freelance consultant and author of several books including "How to Help Your Boy Succeed".

In this session, Gary will explore some of the reasons why some boys might underachieve and give you strategies to best support your own child's achievement and progress. Prior to talking to parents, Gary will deliver training to all staff at TQEA to ensure that together we can help your boy be brilliant! On this occasion, we ask that only parents attend.

I really hope that you are able to join us at this important event and look forward to seeing you there.

Due to limited space in the Hall, places will be offered on a “first come, first served basis” with a maximum of 2 adult places per student. To secure your seats for this event, please use the link below which is on our website and has also been sent home via text message.
