

1st March 2018

Dear Parent/Guardian

The Year 8 Options Evening will be taking place on Thursday 15^h of March from 6.00pm to 7.00pm in the main school hall.

Deciding what options to take at key stage 4 is one of the biggest decisions that a student will make during their time in secondary school. We have already started supporting your child through assemblies and they will all have a 1-1 meeting with their link teacher to assist them at this important time.

The Options Evening is designed to give parents and students an understanding of the process and insight into the options available particularly poignant this year with the vast amount of Government changes.

On the night Option Booklets will be distributed, and we will go through the process and support you both in completing the form.

There will also be the opportunity for you to meet Curriculum Leaders to discuss any issues you may have. On display will be some of the work that students currently doing GCSEs have done, so that you can see the type of work that will be involved. Curriculum Leaders will also be able to answer any queries you or your child may have.

Please complete the form below and return to the school reception to confirm your attendance.

We look forward to seeing you on the evening of the 15th. Should you have any further questions please do not hesitate in contacting me.

Yours sincerely

R.Grainger
Assistant Principal

D.Watts
Principal
