“We Can and We Will”

Year 7 Outdoor Education Day – 7th July 2018

Dear Parent/Guardian,

Following the successful uptake of places on the PGL trip to the south of France in 2019 I would now like to offer a new opportunity for students to participate in a range of outdoor education activities.

On Saturday the 7th July we have provisionally booked places for 40 students to attend Kingsbury Water Park Outdoor Education Centre to participate in climbing, abseiling and rafting building activities. Priority for the places will be given to students who are not attending the PGL trip to France in 2019 but will then be opened up to all year 7 students.

The total cost of the day will be £35 including transport via coach to and from the centre. Students will be expected to take their own snacks and a packed lunch on the day. The estimated timings for the day will be to depart from school at 9am prompt and return to school at 3.45pm.

To secure a place students must return the below consent form completed along with a £10 non-refundable deposit. Places will be reserved for students who are not attending the PGL trip to France in 2019 until Tuesday 20th March but will then be opened up to all year 7 students with the final deadline for deposits being Wednesday 28th March. Students who are entitled for free school meals will still be required to pay the £10 deposit but will then only have to pay an additional £10 for the cost of the trip.

If you have any questions about any of the above information please do not hesitate to contact me at school.

Kind regards

Mr. M. Webb
