

26th February 2019

Dear Parents and Guardians,

I write to inform you of my decision to leave TQEA at the end of this academic year.

I have recently interviewed for a Headteacher position in the south of the country and after being successfully appointed to the position, will be taking up post from 1st September 2019.

This decision has not come lightly. I have been at TQEA for eleven years now, four as Principal and have enjoyed working closely with a truly wonderful group of staff, who have and continue to do, their very best on a daily basis to ensure that all our children have the very best educational opportunities.

Over the years I have had the pleasure of teaching many wonderful students and will miss interacting with them on a daily basis.

I would like to thank you, our parents and guardians, for your support. Getting the very best out of our students requires teamwork and your involvement has been greatly appreciated.

I will ensure, over the coming months, that the school is well placed for the year ahead and that the transition from Principal to Principal is as smooth as it can possibly be.

I have always said that it is not the buildings that make a school, it is those within it. TQEA is a great school and the individuals within are very special.

I wish you all the best for the future and know that you remain in very good hands.

Kind regards

Dan Watts
Principal
The Queen Elizabeth Academy
