

24th February 2021

**Parents and Carers
Of TQEA students**

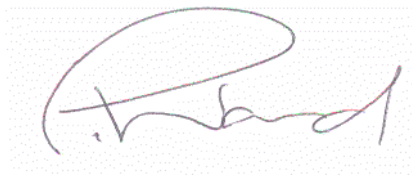

Dear Parents/Carers,

Following a period of time using our enhanced remote learning system we are eager to get your feedback. Remote learning was necessary due to the national lockdown. We believe that our 'live lessons' approach has ensured learning can continue in all subjects and students receive regular feedback. We have collected feedback from students but your thoughts are important too. We hope you are able to answer these quick multiple choice questions to inform our thinking.

[TQEA Remote Learning - Questionnaire for Parents/Carers \(google.com\)](#)

We would be grateful if you could please respond by Wednesday 3rd March

Yours sincerely

Mr P Ward
Deputy Principal
The Queen Elizabeth Academy
