

Dear Parents/Carers,

We will be visiting your school on 22nd March in order to take a group photograph of Year 11.

Shortly after the photograph is taken, you will receive an order form showing you a small proof of the final image and detailing the various options for purchasing your own copy - something your child will keep as a treasured memento for many years to come.

In order to keep things simple, while also offering an affordable range to suit all pockets, there are three presentation options to choose from:

Z1 – 18"x10" archive quality print, **£10.00**

Z2 – 18"x10" print, mounted onto rigid board with a presentation stand, **£15.00**

Z3 – Framed 18"x10" print in a handmade contemporary black frame, **£30.00**

All products include the school name, badge and group title. Details of how to order will be included on the order form.

Kind regards,

The Lafayette Photography Team
