

# TQEA WEEKLY NEWS

Friday 4<sup>th</sup> September Issue 1

Dear Parents/Carers

Welcome to the TQEA weekly Parents/Carers newsletter.

The purpose of this weekly newsletter is to enhance the communication between the academy and, you, our amazingly supportive parents and carers. On this page we will give you information about upcoming events and also reviews of the activities pupils have been participating in.

This week has been wonderful to see the return of our pupils to the academy. It was fantastic, after so many months, to meet them all again and to see their smiles on return. I know that many pupils will have been glad to see their friends and teachers again and staff at TQEA certainly could not wait to see the return of our pupils to their classrooms! There was a reassuring normality to proceedings as pupils started to learn in classrooms once more.

Of course, this was no normal return and the academy looks slightly different than it did in March. For a start there are barriers separating bubbles, hand sanitiser stations on every room, one-way systems in corridors and exclusion zones for teachers. But despite this our pupils were remarkable in adapting to the changes and ensuring that they kept themselves and each other safe.

I want to thank all parents for the support they have given the academy over the past few months. It is very much appreciated. I would like to reiterate that we want your child to be happy, academically successful and prepared for adult life at the end of their time at The Queen Elizabeth Academy and I would ask you to work with us respectfully to achieve our aims together. Working together we can achieve amazing progress for your child in a learning environment of the highest quality, built on the foundations of excellent personal behaviour and mutual respect. We will care for your child and will be committed to their happiness and safety during their time with us and we will be delighted to celebrate their incredible successes and achievements with you in the future.

Have a wonderful weekend with your families and stay safe.

Mr N Harding

Principal

TQEA is committed to providing our young people with an extraordinary education in a safe environment.

Every Family and Student of TQEA should be achieving an attendance of 96% or higher.

This week's attendance per year group:

Year 7	Year 8	Year 9	Year 10	Year 11
99.1	97.4	92.8	92.4	93.7

We would also remind you that failure to secure a child's regular attendance at school may be a criminal offence under Section 444(1) or 444(1A) of the Education Act 1996 which makes it clear that it is parents responsibility to ensure their child's attendance at the school at which they are on roll. Failure to ensure attendance may result in a referral to the Warwickshire Attendance Service which could result in prosecution.

This year there is a change to our attendance approach. There will be incentives for the students and families alongside amendments to our non-attendance policy.
