

Public Health Campaign: World Mental Health Day

Compass

10th October is World Mental Health Day, and Warwickshire School Health & Wellbeing Service would like to take the opportunity to encourage schools to get involved with the Young Minds #HelloYellow campaign. We've also included some classroom activities to help promote positive wellbeing with pupils.

#HelloYellow Day

Go yellow for young people's mental health - powered by Young Minds

YOUNGMiNDS

At a time when it's needed most, come together for #HelloYellow to support young people's mental health on World Mental Health Day. Lockdown had a devastating effect on children and young people's mental health. It's been unbelievably hard, but together, we can make a difference and show young people they are not alone. Join thousands of schools, offices and community groups on Friday 9th October by taking part in #HelloYellow and raising vital funds to support our work. It's simple: wear yellow, get fundraising and have fun! Whether we're all two-metres apart, back to normal or locked-down and keeping it virtual our #HelloYellow kits are filled with ideas for a fun-filled day on 9th Oct! Dig out your neon socks, custard scarf and banana hat - let's show young people they're not alone with their mental health!
