Dear Parent/Guardian

Student and Parent Revision Workshop for all Year 11 Students

This is an extremely important time for all year 11 students as they prepare for their final exams. It is vital, that we work together to support our students – your children – to ensure that they are undertaking effective revision and preparing fully for the upcoming exams. With this in mind, you are invited to attend a student and parent workshop on **Monday 3rd February 2020 at 6pm.**

The workshop will last no longer than an hour and focus on:

- Exam preparation tasks
- Fixing mistakes to ensure constant improvement
- Exam revision techniques/strategies
- How to support your child through their exams

Your support at this event will make a difference and research shows that by actively involving parents in their child’s learning significantly increases achievement. The event is completely free of charge and will be held in the school hall and dance studio. If you wish to book your free place, please complete the reply slip below and hand in to Miss Hill by Friday 24th January 2020.

Yours sincerely

Rebecca Hill
