Dear Parent/Carer

Y7 Assessment Evening

We are pleased to be able to invite you to attend an evening session aimed at helping you to understand how your child is assessed at TQEA, as it is different in every school. The session, which has been specifically designed for Year 7 parents, aims to make assessment clearer. It covers how we assess in Years 7 and 8, how to make sense of the assessment sheets that come home and how you can help to support your child to be the best that they can be. If you attended this evening last year with a current Y8 sibling, then it is not necessary to attend unless you would like a refresher.

Assessment happens in every lesson of the school day in one form or another and is a vital part of your child's learning journey. It is key that as a parent you know how and why your child is assessed and as a school we recognise the important part that parents play. We would be delighted if you could join us on this important evening.

When: Wednesday 19th September 2018, 5.00pm – 5.45pm

Where: TQEA School Hall

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mr W Howes
Associate Principal
