

16th March 2018

Dear Parent/Guardian,

On Thursday 22nd March 2018 your child has the opportunity to participate in a BBC Sport Relief event which will be continuing its journey through Atherstone and will include a walk along the canal. This will take place in their normal PE lesson during period 1 and they will need strong waterproof footwear (but not their PE kit).

Whilst taking part, some photographs will be taken and used for media coverage. In addition, video may be taken that could be used on television as part of the overall coverage for sport relief and the various events being undertaken to raise monies for UK charities.

If you would like your child to participate, please ensure that the following steps are completed:

1. Fill in the consent form below and send it in with your child next week before Wednesday – they will need to hand this to Reception to be able to participate.
2. Ensure that they have school uniform, a warm coat and sensible waterproof shoes.

Any students not participating will undertake a normal PE lesson which may be outside so please ensure they have their appropriate warm PE kit with them.

Yours sincerely

Mr D Watts
Principal
