**Y10 History Students
TQEA**

Dear History student,

We have an excellent opportunity for you to buy the Pearson Revision Guide and Workbooks for the AQA GCSE History course at **LESS THAN HALF PRICE!**

The books would usually be £5.99 each but we can sell them to you for **£2.70 each**. There are four separate books, one for each unit, so you can choose to buy one or two for the topics you feel weakest on, or get all four.

They are **excellent support** for your mock exams and then for your revision next year for the final exams.

If you would like to take this opportunity, please complete the form and return it to 2-19 or to your History teacher.

Payment can be made through ParentPay.

If you would like to see copies of the book before you decide, please ask your teacher but I think you’ll agree they are excellent value for money.

Kind regards,

Ms J. Woodberry
