**The PIPA Trial**

We are writing to you about The PIPA Trial which is being conducted by the University of Warwick. The Queen Elizabeth Academy are collaborating with the research team on this trial which is exploring the effectiveness of an online resource for parents/carers to help reduce depression and anxiety in young people.

Families of young people aged 11-15 years at The Queen Elizabeth Academy are being invited to take part (please note that your name and address details have not been shared with the trial team). Attached is an information sheet which will give you more details of the trial and what your participation would involve. We have also attached an information sheet for your child.

If you have any questions about the trial and would like to find out more information, please contact the PIPA trial team using the contact details below. Mrs D Bott is the 'PIPA champion' for The Queen Elizabeth Academy and you can also speak to them about the trial.

If you are interested in taking part in the trial, please visit <https://ctu.warwick.ac.uk/PIPAmobile/parent-consent> to register. You will then need to enter this code **99085827** to access the database and to provide consent for you and your child to take part.

Many thanks for taking the time to read this message/letter and we look forward to hearing from you.
