Dear Parents and Carers

**Knowledge Organisers – Evening Event regarding home learning**

We are pleased to be able to invite you to attend an evening session aimed at helping you to understand how your child accesses home learning, as it is different in every school. The sessions, which have been specifically designed for parents, aim to make home learning clearer. It covers how we set home learning half termly, how to make sense of the knowledge organisers that come home (also listed on our website), the science behind the learning and how you can help to support your child to be the best that they can be.

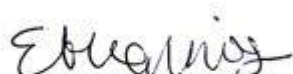

Home learning and our knowledge organisers are a vital part of your child’s learning journey. It is key that as a parent you know how they work and how to support your child, as a school we recognise the important part that parents play in their child’s education. We would be delighted if you could join us for the events.

**When: Wednesday 3<sup>rd</sup> November at 6pm**

**Where: Online, [click this link to join](#)**

If you have any questions, please do not hesitate to contact me via email [e.hopkins@tqea.org.uk](mailto:e.hopkins@tqea.org.uk) we look forward to seeing you on the night.

Yours sincerely
