**Parents and Carers
of TQEA students**

Dear Parents and Carers

Many thanks to the three parents who have nominated themselves for a Parent Governor role on our Local Academy committee. All our governors are a vital part of driving improvement and excellence within our Academy. In addition, the views of our parent body are very valuable and appreciated.

Can I please encourage all parents to vote in this ballot as the Parent Governors selected will act on behalf of yourselves as one of our main stakeholders using one of these voting links:

Kind Regards

Ann Webb
Chair of The Local Academy Committee

Candidates

Name: Craig Bird

My wife and I run a small charity locally called Restore Collective (www.restorecollective.org.uk) and are passionate about enabling people to thrive, that's our mission statement. If I were to be considered as a Governor, I would try to play my role in seeing young people thrive within the school. I'm a JNC qualified Youth worker and worked in Schools for many years, I have also served on the Governor Board of Oasis Academy in Enfield. I feel that my connections/networks will only benefit the students of TQEA.

Name: Cher Moore

I am keen to join the Governing Body at TQEA as I see this as a way to go further in supporting and developing the school that my daughter attends; she is in Year 7.

My career at Severn Trent is within transformation, continuous improvement and projects which gives me excellent skills to see things logically and to establish benefits of ideas from all angles.

I will use these skills to help me make decisions for the good of all students.

I look forward to helping TQEA maintain its excellent reputation for academic success and happy students.

Name: Dee Stanton

I am a full-time working mother of three children. I have worked in education for 20 years, 10 years in senior leadership positions in a school. I value the difference that education can make, and our young people deserve the best. With expertise in Teaching and Learning, Safeguarding and Pastoral I want to support the school and community and be a part of shaping the school's success. Schools are a place for our children to flourish academically, to develop a love of learning, have a voice in society and be caring and responsible citizens. I would look forward to supporting this.

Principal: Mr N Harding - (BA Hons) PGCE NPQH
