January 2022

## ELECTRONIC CONSENT - COVID-19 VACINATION

Dear Parent / Guardian

**Your child is eligible for a COVID-19 vaccination as they are aged between 12 – 15 years old**

**THE E-CONSENT PORTAL WILL BE OPEN FROM MONDAY 10<sup>th</sup> JANUARY 9.00am AND WILL CLOSE ON WEDNESDAY 19<sup>th</sup> JANUARY 2022 AT 12:00pm**

**SCHOOL: - THE QUEEN ELIZABETH ACADEMY**

**DATE OF VACCINATION: - 24<sup>TH</sup> JANUARY 2022**

**UNIQUE CONSENT LINK: - <https://cvsc.covwarkpt.nhs.uk/form?identifier=ca00b54b-c574-4fba-8d0d-f1d206aaf061&oidentifier=d62367d6-621f-484c-b92d-bf2b01c15078>**

The NHS is offering COVID-19 vaccinations to children and young people. All young people aged 12 to 15 years are eligible for two doses of vaccination, a minimum of 12 weeks apart, unless your child has been identified as at increased risk by your GP or consultant.

Due to updated National guidance, this is a new consent process and any previous consent decision is not carried forwards. **Therefore, the consent form needs completing for any child that has either:**

- Received their first dose previously in-school
- Received their first dose previously out-of-school
- Not received their first dose previously
- Not consented to either first or second doses being administered

Page: 1 of 4

Some young people at increased risk from infection will need 2 doses of the vaccine 8 weeks apart. Your specialist or GP will have notified you if this is applicable to your child.

Since the first round of visits for first doses, the National guidance has been updated to state that healthy 12-15 year-olds are not able to receive the vaccination within 12 weeks of a positive Covid-19 test result. Any young children identified at increased risk of Covid-19 will be able to receive their vaccination a minimum of 4 weeks after a positive test result. If you are unsure if your child is deemed high risk, please speak to your GP.

The link above will give you access to:

- Information about the coronavirus vaccine
- An electronic consent form for the FIRST and/or SECOND dose
- Information on who can consent
- Data sharing information

**PLEASE READ ALL OF THE INFORMATION ON THE LINKS BEFORE MOVING TO THE CONSENT DECLARATION LINK. BY SELECTING “CONTINUE” YOU WILL BE GUIDED TO THE ELECTRONIC CONSENT FORM.**

Once you click ‘Submit’ **you will receive a unique submission number to confirm your e-consent form has been received.** Please make a note of this number before closing your internet browser in case you have a query.

Please note, if you have more than 1 child at the school you will need to **complete a separate form** for each child by clicking on the link again.

If you decide you **do not** want your child vaccinated against Coronavirus, please indicate this on the electronic consent form, giving the reason. The ‘do not consent’ declaration is on the final page of the form, and so you will need to complete the form in full.

**THE ABOVE LINK FOR YOUR SCHOOL WILL CLOSE ON: WEDNESDAY 19<sup>th</sup> JANUARY 2022 at 12:00pm**

If you change your mind about consent after submitting a form, please DO NOT complete another form as this results in duplicates and can delay vaccination due to mismatching of information. We ask that you instead email the covid immunisation team (email address below) with the following:

- Your child’s full name / Your child’s Date Of Birth / Your child’s school.
- Consent decision/status that is already submitted and the reason for change

As your child may become eligible before the School Aged Immunisation Service is able to return to their school, you may also wish to access the alternative offer of vaccination by having this at a out-of school setting. Any child who turns 12 after the vaccination visit takes place, or any child that is unable to be vaccinated for any reason during the in-school visit would be encouraged to take up this offer when they are eligible.

The overview of these out-of-school vaccination clinics offered by our service are provided on the following page, with the web links for booking into these clinics provided.
