

27<sup>th</sup> May 2022

**Parents and Carers  
of Y7, Y8 and Y9 students**

Dear Parent/Carer

**Maths Assessments**

Our students are scheduled to undertake Maths assessments after half term. Assessments are opportunities to continually evaluate children’s knowledge, skills and understanding. They also offer an opportunity for children to demonstrate and review their progress over the course of a period of time. All in all, it is an integral part of our relentlessly ambitious, high expectations culture.

Teachers will give preparation guidance for these assessments during lessons.

In order to support your child can you please make sure they **have a scientific calculator** on the date of their calculator exam, if they are a pupil premium student and they need support with this please let us know via [info@tgea.org.uk](mailto:info@tgea.org.uk) . I have listed the dates of the assessments below: -

Year Group	Non-Calculator Paper	Calculator Paper
Year 9	Wednesday 8 <sup>th</sup> June	Thursday 9 <sup>th</sup> June
Year 8	Tuesday 7 <sup>th</sup> June	Wednesday 8 <sup>th</sup> June
Year 7	Tuesday 14 <sup>th</sup> June	Wednesday or Thursday 15 <sup>th</sup> or 16 <sup>th</sup> June

Your support in ensuring that your child does some maths revision silently every day before, and then continuing after, their assessments is much appreciated. This daily revision will help your child to improve and embed their skills in mathematics. **#WeCanAndWeWill**

Yours faithfully,

Mr A Wiles  
Curriculum Lead for Mathematics  
The Queen Elizabeth Academy
