The Queen Elizabeth Academy

The school term continues to go at a relentless pace with staff and students working hard with their studies and with an exciting event happening next week.

For Year 11 this week was important as it marked their mock examinations results' day. Mr Ward led the event and explained the importance of mock examinations as a reference point and a guide to what students needed to do to improve. Students then received results in envelopes and there was a huge buzz in the room! At this stage some students were disappointed, but were left in no doubt regarding their role in achieving their results and the role of their teachers in supporting them. This was reinforced by Year 11 parents evening last night. It was great to meet our parents and carers at this important stage of their child's journey and explain what support is in place for them. It was also important in ensuring parents and carers can support their child at home as the preparation for examinations and revision should be starting in earnest.

Our musicians are preparing for their "Jingle All The Way" concert next Monday December 12th 2022. Tickets for the event are priced at £3 and are available from reception. TQEA students really do have talent and the pieces being rehearsed are in parts quite moving. We can also guarantee some surprise acts in an evening of festive fun!

Next Friday is Christmas Jumper day at TQEA and we are asking students to contribute £1 towards local charities this Christmas. It is an ongoing tradition at TQEA that staff deliver Christmas food parcels to our community on Christmas Eve and this year will be no exception! The more we can do to support our community the better!

Finally, students will need to attend the academy next Friday for the final day of term. The academy day will end at 1:10pm and students will be free to go home to their families. Colleagues will be on site as normal to support any students who cannot walk home, be collected or get a service bus. All we ask is that you contact reception to let us know that your child will be remaining in school in order for us to ensure they are going to be supervised and safe.

Tuesday January 3rd 2023 is a training day and **all students are required to return for the start of the Spring term at 8:45am on Wednesday January 4th 2023.**

As there will not be a newsletter next week all that remains is for me to wish you and your families a Happy Christmas and New Year! Thank you for your tremendous support in 2022.

at TQEA'

Monday 12th Dec

Starts 6:00pm

Doors 5:30pm

Tickets : £3

Useful Links

Please see below some useful links for over the Christmas Period.

The holiday activities and food (HAF) programme is for school aged children in full time education from reception to Year 11 (inclusive), who receive benefits related free school meals. The programme offers valuable support to families on lower incomes, giving young people the opportunity to access activities with a healthy meal provision over the main school holidays at Christmas, Easter and Summer.

All Details on the HAF programme can be found at <https://searchout.warwickshire.gov.uk/holidays-activities-food-haf>.

If a family is not eligible for free school meals, but meet the criteria referenced at <https://searchout.warwickshire.gov.uk/homepage/31/information-for-parents---haf> then a referral can be made for a HAF code. This will only be for Christmas and need to be re-issued for each activity period as we can only allocate a certain number of codes for families not in receipt of free school meals. A referral needs to be made by a professional worker supporting the family, unfortunately we are unable to process requests from families directly. This form can be found at <https://forms.office.com/r/WZ6cU221iH> if you think a referral is required.

Christmas Survival Kit

Please see the link below for a Christmas Survival Kit for over the Christmas Holidays.

Spring Term 2023 Student Season tickets are now on sale! Travel for less during the term time and take advantage of great value for money. Travel comfortably to the university, college or school.

[LEARN MORE >](#)

What are the benefits?

Students aged 16 and over: save big by getting a 50% discount on our usual adult season ticket price.

Students aged 15 and under: for the younger travellers, save 25% off our usual child season ticket price.

No fuss: with a Student Season Ticket there is no need to buy tickets every day. Avoid the queues and travel with peace of mind knowing you already have a ticket to ride.

0% chance of Penalty Fare: with the current increases in penalty fare rates, make sure you are covered for the entire term.

Valid evenings, weekends and school holidays: travel when the schools, colleges or universities are closed.

One simple purchase: cover your travel for the whole term in just one transaction!

For any questions contact Sophie.Gardner@wmtrains.co.uk
