The Queen Elizabeth Academy

Dear Parents and carers,

On Monday this week we saw our PE student leadership team working with Warwickshire School Games to produce an absolutely excellent experience for primary school children across the area. This amounted to over 320 primary school children taking part in PE events that had been organised by our leadership team. Our School Games leader Mr Leggett was incredibly complimentary about the endeavour of TQEA students in producing these amazing PE experiences. It was wonderful to see the leadership on display with student marshalling and supporting and making sure that young children could complete the PE activities that they had set.

This week has also been TQEA's kindness week in which students and teachers have been writing messages of kindness to one another. You can never underestimate the importance of kindness and care in a community and it has been moving to see the number of students who have written these messages to their friends and also to their teachers. It has really brought a good feeling to the academy this week.

Please be aware that as we head into the final weeks of term that there are a number of events that are happening. These will all be outlined in our end of term arrangement letter that has been sent to parent on class charts. Please note that we are having an early finish as usual on the final day of term Friday December 16th. Please also note that we have a year 11 parents evening coming up on Thursday December 8th to discuss mock examinations and a Christmas music extravaganza to which you are all invited to on Monday December 12th from 6pm. Tickets are available from the reception at £3. We hope to see you there.

Finally, next week we are going to launch a new raft of rewards for students at TQEA. We understand the importance of reward, particularly as the vast majority of our students are wonderfully supportive every single day. Therefore, during our assemblies next week, we will be launching the Golden Ticket which will be a daily reward scheme for our students who make us proud and contribute positively to the academy in some way.

Wishing you a great weekend.

KEEP UP THE GREAT WORK!!

TQEA Clubs

This week has been very busy week in clubs land too! Year 10 got their bake off and made cakes of every time. There have been more sporting action in the PE department with Badminton Club.

Year 11 Intervention groups

It's great to see the excellent focus in Year 11 English intervention groups on Thursday. Super commitment one week after mock examinations!
