The Queen Elizabeth Academy

Dear Parents and Carers,

Firstly, you may be aware of the information we shared regarding a group of youths, from outside of the area, who have been displaying anti-social and threatening behaviour in the town. The safety of our children is a priority and we are working closely with the police on this matter. Not only have we increased our staff presence around the academy gates, but we have had strong support from the police who are patrolling the local area at the end of the academy day.

The police have advised that our children walk home from the academy in friendship groups and that they go straight home. If our children see any anti-social behaviour from these youths then they must report it to you to report to the police. We will continue to work closely with the police and I will share any important information with parents and carers when I have it.

Parents and carers will also know that we have taken the decision, in response to the union action by the National Education Union, to close the academy to Year 7, 8 and 9 on Wednesday February 1st. We are sorry for the disruption that this may cause, but wanted to make the announcement as early as possible to help families put contingency plans in place. We will set work for Year 7, 8 and 9, which they can access through Teams and via their email.

We remain open for vulnerable children, key worker children Year 10 and Year 11. Please see the letter I sent yesterday to establish how you inform the academy if you wish to apply for a key worker place that day or require a Free School Meal.

It is important that we have strong attendance from Year 10 and Year 11 as we continue to prepare them for their GCSEs. For year 11 there are 99 days to go until their first examination and it was great to see a high turnout at the various intervention sessions that we are running on Tuesday, Wednesday and Thursday. We have also been continuing to support Year 11 with their calendar planning and revision skills. Year 11 should now be increasing their revision programme at home as we head into February!

Have a great weekend and thank you for your support.

KEEP UP THE GREAT WORK!!

Well done to our PE stars of the week for showing #Pride #Resilience #Endeavour #Kindness

In National Policing week it was great to see PCSO Scott patrolling near TQEA and engaging with students and staff on Tuesday.

Chinese New Year

Year 8's have been making salt and chilli chicken.

Year 10 and 11's and after school groups have been making spring rolls to celebrate Chinese New Year.
