Endeavour - excellent effort in science!

Kindness - Extremely kind and empathetic towards another student.

Endeavour - Excellent effort on Sparx homework.

Kieran
Crutchley

Pride - Producing excellent work in Maths

Endeavour - excellent effort in science

Head of Year

Special Recognition

Congratulations Year 9 for working hard to improve our positive achievement points! Here are the top students from their tutor groups

Brooke Lucas 9DJD - 39points

Mabel Smith 9JRW - 25 points

Reuben Hargreaves 9MXH - 26 points

Faye Read 9SJ – 24 points

Demi-Lee Eggerton – 15 points

Celebration of Achievement

Top 3 Tutor Group

26/09-02/10

10RZC – 508 Points
9DJD – 430 points
11MRB – 341 points

Top 3 Tutor Group

Year to Date

9DJD – 1612 points
10RZC – 1592 points
8GXB – 1496 points

Top Year 7 Students

26/09- 02/10

Logan Tunncliffe 7LD – 27 points
Ayda Hancocks 7UXS – 26 points
Tyler Scarrott 7LD – 24 points
Valentina Dal Zotto 7SDS – 24 points

Top Year 8 Students

26/09- 02/10

Sahib Sangha 8NEH 25 points
Finn Davies 8GXB – 23 points
Alexandra Moise 8NEH – 22 points
Maisie Howitt 8GXB – 20 points

Top Year 9 Students

26/09- 02/10

Brooke Lucas 9DJD – 39 points
George Cardall 9DJD – 28 points
Kai David 9DJD – 27 points
Reuben Hargreaves 9MXH – 26 points

Top Year 10 Students

26/09- 02/10

Joseph Gibson 10RZC – 38 points
Imogen Jenkinson 10RZC – 27 points
Ruby Wardle 10RZC – 27 points
Kieran Crutchley 10RZC – 25 points
Isabelle Gurney 10RZC – 25 points

Top Year 11 Students

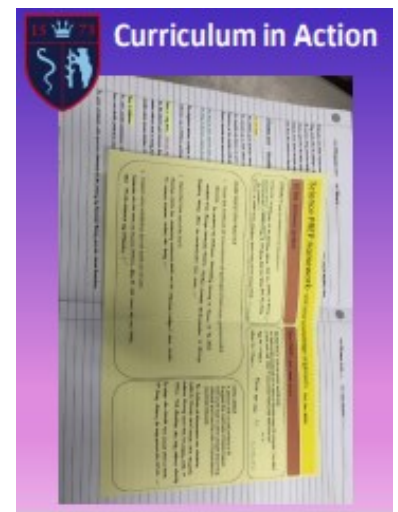

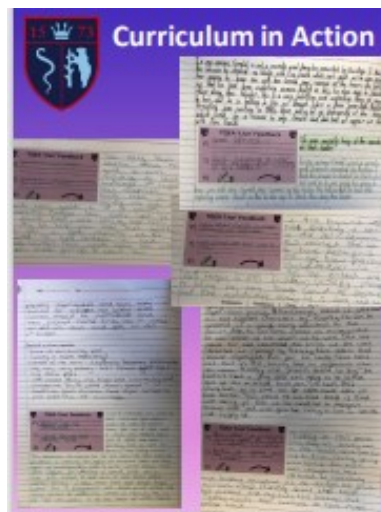

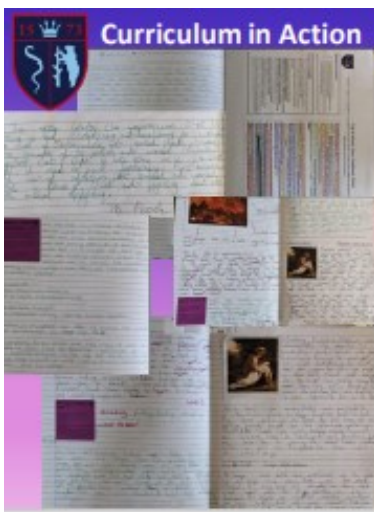

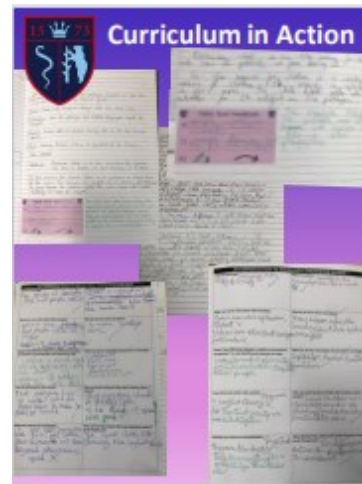

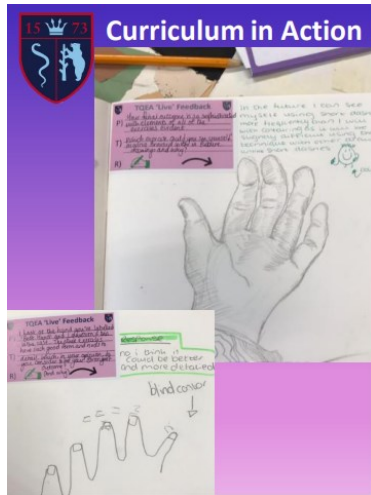

26/09- 02/10

Ruby Duignan 11RJG – 29 points
Olivia Embleton 11MRB – 25 points
Luke Grantham 11ECT – 24 Points
Ezra Stuart 11RJG 24 points

KEEP UP THE GREAT WORK!!

Curriculum In Action #5

Page 1: Live feedback given in Geography to improve learning and get students to be reflective of what they've learnt.

Page 2: Independent homework in English from Mrs Stewart, generating pride in learning

Page 3: A range of oracy activities across subjects

Page 4: Students applying their learning independently

Page 5: DEI - A guided reading sheet from Mr Dawkins in Maths celebrating a black mathematician (Mr Dawkins can provide the template for the guided reading sheet), two examples in Media, including Film Club celebrating black history.

Year 8 Paris Trip

Last weekend some of our Year 8's, along with Mrs. Harris, Mrs. Thomas, Miss Hargadon and Mr. Cope travelled to Paris for an action-packed weekend of sightseeing and activities.

We met at school in the early hours of Friday morning and set off on our journey. The ferry was great fun, and we were all just glad that the sea was calm!

The sun was shining as we arrived at our accommodation on the outskirts of Paris, and we were all relieved that it looked as good as it did in the brochure! Travelling for so long didn't stop us having fun in the evening as our host at the Centre taught us how to make some traditional crepes in French – the students were great, and they enjoyed adding all the different toppings! Mrs. Harris needs some practice though!

Saturday was an early start as we made our way in Paris city Centre. Here, we walked up the Eiffel Tower and went on a river cruise down the Seine where we saw lots of famous landmarks such as Notre Dame. Our feet and legs were aching, but we went on to the Sacra Coeur and walked up another 265 steps to take in the breathtaking views over the city. We then went into Montmartre to soak up some Parisian culture and the students practiced their French in the many shops.

Saturday night was great fun with a campfire and toasting marshmallows at the Centre. Daniel Smith showed off his group singing skills and got us all involved.

Sunday was another early start as we were off to Disneyland Paris. The students had a great time seeing the characters and going on all the thrill rides.

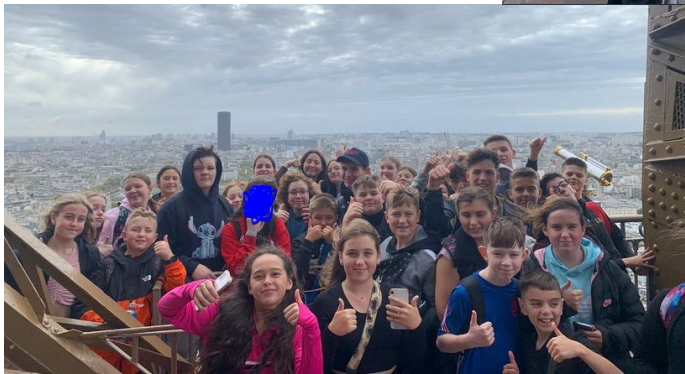

Sunday night was packing up and taking in the last few hours of activities at the Centre. There was football, a games room and the fantastic grounds for exploring. We even had snails for dinner!

Monday was the start of a long journey back but we needed to practice our French some more, so stopped off at a hypermarket to do some more shopping. The bus was full of sweets for the journey back!

We all had a wonderful trip; the students were great representatives for TQEA and did us proud. We hope to do it again soon!

TQEA Food Department

Food Extracurricular Sessions

The autumn terms extra curricular sessions are Year 9's on Tuesdays and Year 10's extra skills sessions on Wednesdays.

The Year 9's have made Sushi and Piped Viennese Whirls.

Year 9 Food Lessons

The year 9's study the different ethical issues connected to Food and Food choices. The first topic is local and seasonal food and they have made pear and chocolate muffins and some classes have made macaroni cheese.

Year 8 Food Lessons

The Year 8's are studying the history of British Food and have made bread and cinnamon cakes.
