“We Can and We Will”

Principal's Welcome

Dear Parents and Carers,

I write this after a tremendous evening celebrating the Class of 2025 at their prom at Weston Hall in Bulkington. It showed how much this cohort of pupils are revered by the community as there was a fantastic turn out of staff old and new who came to celebrate the evening with them.

It is always an emotional rite of passage to say farewell to pupils that have been nurtured from year 7 to becoming young adults. It was wonderful to see a great number of parents and carers come and join us at the start of the evening, as the pupils arrived in all manner of vehicles. It is remarkable to see the elegant dresses and smart suits worn by the pupils, as they dress formally for the evening, and never fail to impress.

For staff it is a time of reflection. A time to reflect on the memories we have shared and the work that we have done with these young people. A time to be grateful for the way these young

people have enriched our lessons and brought joy to our daily work. A time to wish them the very best for the future and to enjoy their presence together with us for one last time.

For the pupils it is a time of joy after the hard work of Year 11. A time to be with friends and a time to remember the time they have had at TQEA. For each individual there will have been challenges on the way and it is an opportunity to celebrate that they made it and are now ready for a new challenge. The next steps of their journey await.

For our academy the class of 2025 have been a stunning year group. A year group that was full of heart and unity. A year that worked hard and were ambitious for themselves. A year that were kind and empathetic. We will miss them tremendously and will remember them for years to come. We will see them again on Thursday August 21st, 2025 where we will celebrate with them one last time. This time it will be to open their envelopes and see the fruits of years of hard work revealed in their GCSE grades. There will be tears of happiness and pride...

For now, Class of 2025 we say farewell, and we will meet again in August. We can honestly say we could and we did.
