"We Can and We Will"

Principal's Welcome

Dear Parents and Carers,

Examination season is upon on once again and after completing Language speaking exams this week, we will see papers being sat in earnest from today (Drama and Travel and Tourism) and next week in a whole range of subjects. Year 11 have been a super year group and we are expecting exciting results in the summer. We will be on hand to support as much as we can as i am sure parents will be at home. They are a truly remarkable group of young people and they deserve the best. They have worked so hard this year and I am sure that this will pay off. It will not be long before our annual Prom is upon us. If you have any concerns about your child during the examination season, please do not hesitate to contact Mr. Bladon-Cope.

Mr. Webb took an eager group of students this week to the esports careers event at Warwick University. Not only were they able to take part in some gaming, but they also learned about this rapidly growing industry. Mr. Webb reported that they had a superb day.

A reminder that we are hosting a coffee morning next Friday May 16th 2025 and we are hosting our screening of the Netflix series, Adolescence, next Wednesday 14th May 2025 at 6:30 pm. This is a great opportunity to discuss some of the pressures facing young males on our society today and how we can support our children.

We will have some exciting news in next weeks' newsletter in response to our Student Leadership team and pupil survey results.

Finally, we wish to congratulate Harper Reay, in Year 8, who has been awarded the Ruby Chambers Sports Award for his competitive performances in Golf. He will be receiving his award soon and we will post further developments.

Have a good weekend and thank you for your continued support
