Academy

# TQEA Newsletter: Monday 22nd September

Issue 3

## **The Queen Elizabeth Academy**

**“We Can and We Will”**

## Head of Academy Welcome

Dear Parents and Carers,

It is hard to believe that we are over halfway through September and have completed week 3 of this academic year.

This week's newsletter is focused on our TQEA Character Values (Pride, Endeavour, Resilience and Kindness) which are an integral part of our academy culture. We discuss these values every day and use them as an important part of our rewards system, celebrating when students show these character values both in and outside of the academy. Our Character Focus this week is **Endeavour**. We will be discussing with students the importance of this value and how they can demonstrate endeavour in the classroom, at home and in the wider community.

Next Thursday is our Open Evening where we open our academy to the community and parents and carers of Year 6 students. It is an opportunity for us and students to show off all the many wonderful things about TQEA. If you are a parent/carer of a Year 6 student, we look forward to seeing you then.

Thank you as always for your support in our commitment to provide the best quality education for your children.

Alison Morris

## Character Information

This year we have relaunched our character values program, good character is fundamental, as it contributes to humans flourishing. We have 4 key values that underpin all for the work done in the academy, these are

Pride • Endeavour • Resilience • Kindness

During the year pupils will be learning about how important these values are, and how to apply them at school, at home and in the wider community. Each week we will be sharing more information on social media.

### Pride

**Noun** | a feeling of deep pleasure or satisfaction derived from one's own achievements, the achievements of those with whom one is closely associated

### Endeavour

**Verb** | to try hard to do or achieve something

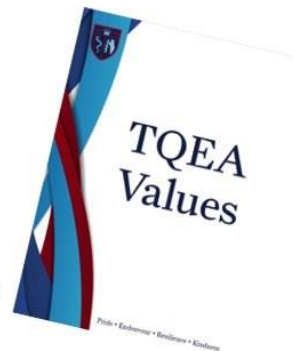

### Resilience

**Noun** | the capacity to withstand or to recover quickly from difficulties; toughness:

### Kindness

**Noun** | the quality of being friendly, generous, and considerate

During their return to school pupils learnt about famous people who have displayed these values in their lives, they included Nelson Mandela, Mother Teresa and Albert Einstein, all of whom can be found on the academy walls.

Our rewards programme is also based on these key character values, with pupils able to earn points in and out of lessons for displaying them, after just a few days back at school pupils have already earned an amazing ...

**25554 Points**

That includes

**13776 Endeavour points**, well done to Austin W who leads with 45 points already

**625 kindness points**, with Lohan F the kindest pupil with 7 points

**4539 Pride points**, with an amazing 32 from Jessica V

Finally, **3460 points have been awarded for pupils showing resilience** with Max B, Damian B, Amelia K, Jennifer L and Lily R all leading the way on 22 points, well done year 8.

## Attendance Information

## Attendance Matters

Attendance remains a very high priority for us as a community. If students are not in the academy, we are not able to help to support them or teach them the knowledge and skills they need to succeed. It is vital that all children are in the academy every day.

Week Commencing: Monday 15th September Weeks Attendance: 92.3%
