ATTENDANCE

Newsletter

Dear Parent/Carer,

We are writing to you to provide clear expectations for school attendance and outline the absence procedure.

At the Queen Elizabeth Academy, we always encourage pupils to strive for 100% attendance, however we do understand this is not always possible and have therefore set a school attendance target of 98%. There is a strong link between attendance and academic achievement, with this in mind it's very important that your child attends school every day unless there are exceptional circumstance.

Only with your full support can high attendance be achieved. Parent and carers are responsible for ensuring their children attend school regularly and to inform school of the reason for a child's absence.

Reporting an absence

If your child is unable to attend school through illness or for another reason please inform us on the first day of the absence before 9:00am providing details of the reason for absence and expected return date to school. This can be done via the My Child at school app, Email: the-attendance@atrust.org.uk or via phone 01827 737714 if there is no answer please leave a message. Further days of absence must be reported in for each day of absence.

The reason for absence will then be authorised or unauthorised accordingly by the attendance team.

If your child feels unwell at school

If your child feels unwell at school we ask unless it is an emergency, that they stay in lessons until either breaktime or lunchtime and then report to reception.

Students are not allowed to contact parents or carers directly from their own phone. Reception will contact parents. In most cases students are able to stay in school and feel better once they have a drink, some food where necessary a paracetamol.

EVERY CHILD MATTERS

How can I support my child?

- Ensuring they have breakfast (TQEA offers a breakfast club which is open from 8-8:30am everyday.) Or bring in food from home.
- Make sure they have a water bottle—staying hydrated helps with headaches.
- Making sure they have plenty of rest.
- Encouraging them to get their bags, uniform and school items ready the night before so they are not late to school.

Punctuality Matters Too!

Good punctuality to both lessons and to school leads to higher levels of achievement. When students arrive late at school, they miss out on essential teaching and learning at the beginning of the school day. This can reduce achievement, regardless of a student's academic ability. Your child may feel awkward arriving to the classroom where everyone else is settled and students arriving late can disrupt the entire class.

Being 10 minutes late everyday equates to over 30 hours (approximately 6 days) of learning lost each year!

Please ensure your child arrives at school by 8:35am, ready for line up with their tutor for morning meeting on the playground at 8:40am. The side gate will close at this time and students arriving after this will need to sign in via reception. Lateness will result in a 30 minute same day detention. In cases of persistent lateness contact will be made with home and students punctuality will be monitored. If there is no improvement further sanctions will be issued.

Appointments

We understand that students may have medical needs that require appointments during the school day.

We ask in these instances that you let us know as far in advance as is possible and provide letters or appointment cards and or letters as much as possible.

We would also ask where possible these be made outside of school hours.

How can we support your child?

- ✓ We offer a breakfast club which is open from 8-8:30am everyday.
- ✓ We reward not only individual attendance but also tutor group attendance, prizes vary but this helps the individual and helps them work together.
- ✓ We have two family liaison officers on site who can help bridge the gap between home and school, allowing families to have a personal contact.
- ✓ We also have an onsite school councillor in cases where a student needs that extra support.

Leave of Absence

The principal will not grant any leave of absence during term time unless: An application has been made in advance, by the parent with whom the child usually resides and they consider there to be exceptional circumstances relating to the application. All unauthorised leave of absences will be referred to Warwickshire attendance service and this could lead to a fixed penalty fine. Application request form can be found on our website.

Important Information

Penalty Notice Fines for School Attendance are changing

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force for Penalty Notice Fines **issued after 19th August 2024**.

School attendance is important. Regular attendance links directly to pupil outcomes, which is why our academies work with families to ensure that all our pupils are supported to attend school regularly. Academies will focus on a *support first* model, by ensuring penalty notices are only considered where support is not engaged with, not working or not appropriate.

Per Parent, Per Child

Penalty Notice Fines will be issued to each parent for each child that was absent.
For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

Punctuality Matters Tool

5 sessions of term time leave

The National Threshold for Penalty Notice Fines for term time leave will be for 5 or more consecutive days.

10 sessions of unauthorised absence (equivalent to 5 school days) in a 10-week period

The National Threshold for Penalty Notice Fines is 10 sessions of unauthorised absence in a 10-week period. The 10-school week period can span different terms or school years.

These sessions do not have to be consecutive and can be made up of any combination of any type of unauthorised absence. This could, for example, include 6 sessions of holiday taken, 2 sessions of unauthorised absence and 2 of arriving late after registration has closed.

First Offence

The first time a Penalty Notice is issued for term time leave, or for unauthorised absence, the amount will be:

- £160 per parent, per child paid within 28 days.
- Reduced to £80 per parent, per child if paid within 21 days.

Second Offence

within 3 years

The second time a Penalty Notice is issued for term time leave, or unauthorised absence, the amount will be:

- £160 per parent, per child paid within 28 days.

Third Offence

and any further offences within 3 years

The third time an offence is committed for term time leave, or unauthorised absence a Penalty Notice will NOT be issued and the case will be presented straight to the Magistrates' Court. Prosecution can result in criminal records and fines up to £2,500 per parent, per child.

Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate, due to 'failure to safeguard a child's education'.

Too ill or not to ill?

Is your child too ill for school?

If in doubt, check with your child's school.

Leave of Abs

Quality Matters Too!

Leave of absence

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.

It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.

All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

· Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

o First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

o Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

· Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

· Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.
